

FALL 2009

SIUC CLASSROOM EQUIPMENT TRAINING

The Center for Graduate Teaching Excellence and Instructional Support Services are pleased to announce the following opportunities to learn more about operating the equipment in Auditoria and Smart Rooms across the SIUC campus through several informal hands-on sessions. Come join us!

Faculty AND Teaching Assistants – WELCOME!

- **Auditorium Training:** The information provided in any one Auditorium training session applies to all 22 Auditoria listed below. Training covers use of the podium equipment and SMART Notebook™ software which is installed on the local computers.
- **Smart Room Training:** The information provided in any one Smart Room training session applies to all 10 Smart Rooms listed below. Training covers use of the podium equipment, the SMART Board™ interactive whiteboard, and SMART Notebook™ software which is installed on the local computers.
